2020 HWS SLOTS ALLOCATION PROTOCOL

The pre-match slots are reserved for approved Match Officials and Organisation Crew, sponsors of the championship, IPSC Patrons, Dignitaries (approved by the Match Director and IPSC), who are members in good standing of their Region of residence, IPSC Executive Council members and Regional Directors.

The maximum slots available at the main match for 30 Stages level V competitions are as follows:

1 - SLOT ALLOCATION PRINCIPLES

The Level V main match slots allocation is based on the following principles:

- Between 20 to 52 slots are reserved to the Patrons and the Overall Champions of, the previous World Shoot
-
- All other slots are reserved to the IPSC Regions

To promote development, each Region who was in voting position at the 2019 General Assembly is entitled with a minimum of 2 slots at the Main Match.

All the other slots are allocated proportionately in function of the average of per capita fees paid by each Region during the past 3 years.

Example:

If there are 500 slots available and a total of 10 000 members worldwide and if a Region X = 1000 members, then the slot allocation is = $(500/10000) \times 1000 = 50$ slots

2 – SLOTS DISTRIBUTION

After calculation, the IPSC administration advise the match organizer and the regions about the number of slots allocated.

- 1st Distribution (1st round robin)

- 52 slots are reserved to the IPSC Patrons and the Overall Champions of the previous WS.
- The rest of the slots is allocated to all the Regions following the per capita ratio calculation principle with a minimum of 2 slots.

The IPSC administration sends a letter to all the Regional Directors to indicate the number of slots allocated, the Bank coordinates of the match organizer, the options concerning the wishes of the Region concerned as:

- Accept ALL of the slots as allocated (no returns, no extras)
- Accept ALL of the slots as allocated AND request additional slots
- Accept SOME of the slots as allocated, and return unneeded slots
- Accept NONE of the slots as allocated

and the deadlines fixed to provide the wishes from all levels and make the payment.

All the slots allocated at the 1st slot distribution who aren't reserved before the deadline will be allocated to all the Regions at the 2nd slot distribution

- 2nd Distribution (2nd round robin)

The non-used slots from Regions and the IPSC Patrons from the first distribution will be whether distributed to the Regions, if possible in function of the requests if all of them can be satisfied, or following the per capita ratio calculation principle.
